

All European life died in Auschwitz - by Sebastian Vilar Rodrigez

I walked down the street in Barcelona, and suddenly discovered a terrible truth~ Europe died in Auschwitz. We killed six million Jews and replaced them with 20 million Muslims. In Auschwitz, we burned a culture, their thoughts, creativity, and talent. We destroyed the chosen people, truly chosen, because they produced great and wonderful beings who changed the world. The contribution of these people is felt in all areas of life: Science, Art, International Trade, and above all, as the conscience of the world.

These are the people we burned.

And under the pretense of tolerance, and because we wanted to prove to ourselves that we were cured of the disease of racism, we opened our gates to 20 million Muslims, who brought us stupidity and ignorance, religious extremism, lack of tolerance, crime, and poverty due to an unwillingness to work and support their families with pride.

They have turned our beautiful Spanish cities into the third world, drowning in filth and crime. Shut up in the apartments they receive free from the government, they plan the murder and destruction of their naive hosts.

And thus, in our misery, we have exchanged culture for fanatical hatred, creative skill for destructive skill, intelligence for backwardness and superstition. We have exchanged the pursuit of peace of the Jews of Europe and their talent for hoping for a better future for their children, their determined clinging to life because life is holy, for those who pursue death for a people consumed by the desire for death for themselves and others, for our children and theirs. What a terrible mistake was made by miserable Europe!

The above is a summary of an article recently appearing in a Spanish newspaper. It is applicable to most countries of Western Europe.
